"Architecture is the learned game, correct and magnificent, of forms assembled in the light." - Le Corbusier

ABOUT NEW DIMENSION

we turn ideas into works of art

For each project we establish relationships with partners who we know will help us create added value for your project. As well as bringing together the public and private sectors, we make sector-overarching links to gather knowledge and to learn from each other. The way we undertake projects is based on permanently applying values that reinforce each other: socio-cultural value, experiental value, building-technical value and economical value.

Ovde se nalaze opšte informacije o temi sajta kao i čime se izmišljena firma bavi. Jedina funkcionalnost u ovom delu sajta jeste dugme

"Show more/show less" na čiji se klik otvara dodatni sadržaj uz pomoć jQuery koda.

Projekti ove firme u vidu galerije odnosno slika koje se ispisuju dinamički kroz javascript u vidu niza objekata.

Ovde se može videti prikaz arhitekti i dizajnera prilikom klika na jedno od dva dugmeta. Prilikom klika menja se aktivna boja dugmeta i prikaz arhitekti odnosno dizajnera. Ispis arhitekti i dizajnera vrši se dinamički kroz javascript takođe u vidu niza objekata.

Forma za prijavu newletter-a. Pritiskom na submit dugme vrši se validacija svih unetih podataka. Ukoliko je podatak pogrešno unet ili uopšte nije unet polja će se zacrveneti i vratiti poruku o lošoj validaciji.
